## INGREDIENTS

**Iron:** Iron is needed to provide your cells with adequate oxygen, which, in turn, is necessary for healthy nails. If you have an iron deficiency, the shape and appearance of your nails can be affected.

**Double Hydrolyzed Collagen:** Giovegen Nails deliver a dose (5 grams) of Collagen Peptides. They've been shown to support collagen production. Can also help reduce the appearance of wrinkles and support healthy nails.

**Vitamin C:** Vitamin C is absolutely essential for synthesis of collagen. Vitamin C is the essential cofactor for the two enzymes required for collagen synthesis.
